Review: Any Questions or Concerns

Destination: Drivers' Choice

Drivers have 2 choices:

1. Drive to any town to which we have driven. **Example:** Peoria, Morton, or Eureka.
2. Drive to 2 different locations in Washington or Sunnyland. **Example:** School to Walmart, then to Cherry Tree Shopping Center; (Change Drivers) Cherry Tree to Casey's then back to school.

Students need to agree on choice (1 or 2).
